

JUSTO RAMIREZ SEEKS THE OFFICE OF COUNTY COMMISSIONER PCT.4

Justo Ramirez local businessman has announced his candidacy for the office of Brooks County commissioner of precinct 4. I believe my 32 years of business experience and the want to serve the people of precinct 4 and our county is essential. My platform includes controlling taxes and spending, ensuring public safety and supporting programs that are essential to the community. Most importantly I want to give the office to its rightful owners..the people of Pct. 4 and to be a full-time Commissioner that listens to its residents. I want to be the voice of the people. I believe I will be the best qualified and most experienced candidate for Pct. 4 commissioner because I am a businessman who founded my own successful business. It's time to involve the entire community in determining the future of Brooks County and to pay attention to the concerns and interests of the working people and small businesses of the community. I will always put the interest of the people first.
